

USER GUIDE INSTALLATION & INITIAL SETUP

INTRODUCTION

This user guide provides step-by-step instructions for installing SYNT in MIVA eCommerce platform. Whether you're a new user or upgrading from a previous version, this guide ensures a smooth installation process.

INSTALLATION STEPS

1. Search for SYNT on MIVA App Market (<u>https://apps.miva.com</u>) and make the purchase.

Fulfill the details to complete the purchase.

2. Download the file sent to your email after the purchase - file is in .zip format

	Miva App Store 16745 W Bernardo Dr 4 San Diego, CA 92127 US	th Floor	Developer Order Confirmation Order #113730 Placed: 09/17/2023 20:48:08 PDT Status: Pending						
	Bill To Name: Email: Phone: 122323131 Address: 123 VN S Hanoi, Al US	Street	Ship To Name: Email: Phone: 1223 Address: 12 Ha	3 VN Street anoi, AK 12345					
	Code	Product		Quantity	Total				
	SYNT- MESSAGING	Synt - Powerful Web Push Notifications Download: https://apps.miva.com/mm5/me Store_Code=apps&Screen=DNLD&ID= 0aff4e45f4f540dcd9283d5f2d80ce5a	rchant.mvc?	1	\$0.00				
				Sales Tax: Total:	\$0.00 0				

3. Unzip the downloaded file to get the .mvc file before getting to the **Miva Admin**

You can unzip the file here by

- **MacOS** double click to the zipped file it will automatically extract the file.
- Window right click and select "Extract files..."

4. Login to *Miva Admin* of your store (https://yourstoreURL/mm5/admin.mvc?)

	Sign In							

5. Go to Settings > Domain Settings > Modules

6. Add new module by clicking the Add Module button

- 7. Upload the file that was downloaded above
 - Click the Upload button

Home > Domain Settings > Modules > Add Module > Files Add Module	••• Add
Files 1	
Module: Upload	

A dialog box will appear. Click the Choose File button and select the .mvc file.
 It is recommended to check the Overwrite box. And then hit Upload button

	Upload File
